## why choose NDSP Plan Managers

At NDSP, we believe that nothing should get in the way of your NDIS goals. That's why we take care of the things that slow you down - like payments and bills.

As a nationally registered NDIS provider, we aim to provide you with the tools to achieve your goals. Best of all, our services are covered by your plan. Just ask your NDIS Representative to include 'Choice and Control' in your plan. That's yet another bill you won't have to worry about.

Our friendly and highly skilled staff are here to help you understand the funding in your plan. We are:

reliable, invoices are paid promptly

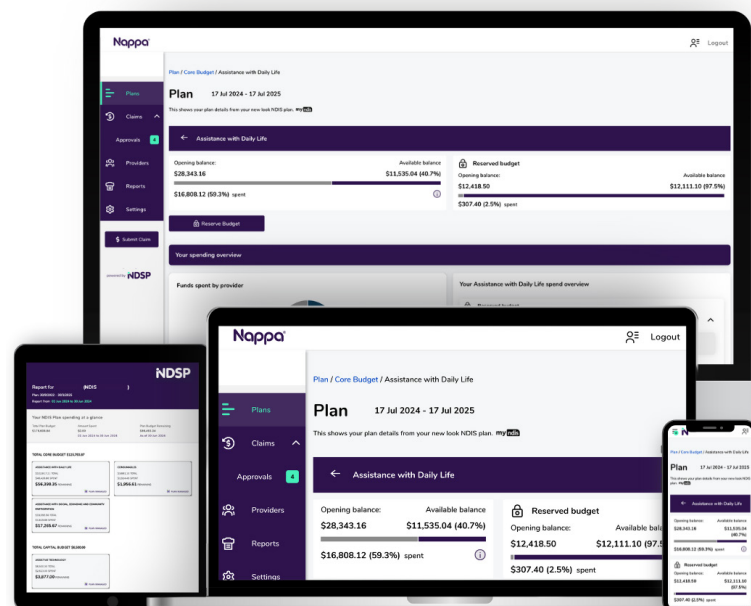

experts, when you call our team, we know the NDIS.

transparent, with real-time budget access.

Most importantly, we care... so feel free to leave the boring stuff to us!

Nappa, our real time budgeting tool, gives you complete transparency over your NDIS plan.

## Nappa's dashboard provides a quick and secure way to:

- view the status of all invoices.
- submit claims.
- view spending and usage rates.
- view a breakdown of your funding.
- view monthly statements.

## Are you a Support Coordinator or Authorised Representative?

As a Support Coordinator or Authorised Representative, you can view your client's Nappa dashboard to track their spending and easily switch between multiple clients.

"I am with them (NDSP) and have been for some time now. Their services are excellent and invaluable to me. Each and every time I have had to contact them, they are more than help(ful) and provide the best service in plain English if I don't understand. They take the time to resolve my concerns in a timely manner. I could not do it without them."
